Happy Anniversary, Dangerous Pleasure 11th

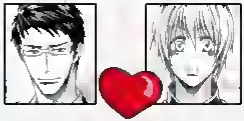
Staff's Comment Box

DP: Who's your ultimate fave couple?

Shell: Kuon and Nanao-chan from the *Mujihina* series because they are absolutely the hottest couple in yaoi town providing the bestest smex scenes and the right amount of angst across the series.

DP: Who's your best bet on a potential couple?

Shell: I'd say Shunpei and Aka from *Yume Musubi. Koi Musubi.* because Shun deserves a guy to train—and Aka is the best example of a guy who can be trained with hard work and lots of love (ifyouknowwhatimean.)



To our wonderful staff, collaborators and readers: thanks for your support!

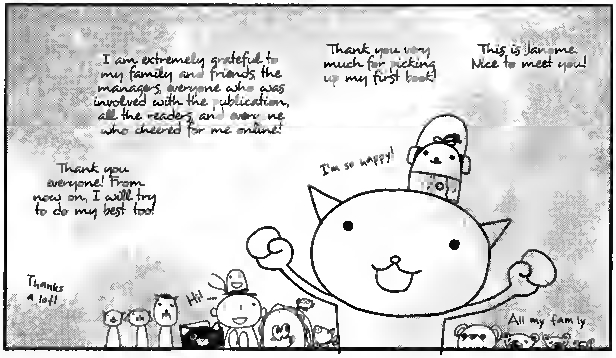
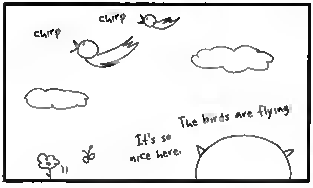
Postscript



I am extremely grateful to my family and friends, the managers, everyone who was involved with the publication, all the readers, and everyone who cheered for me online!
Thank you very much for picking up my first book!
This is Ian-me. Nice to meet you!
Thank you everyone! From now on, I will try to do my best too!
I'm so happy!
Thanks a lot!
Hi!
All my family



cluip

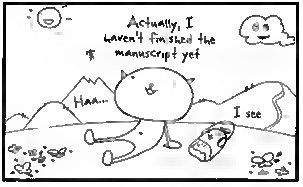
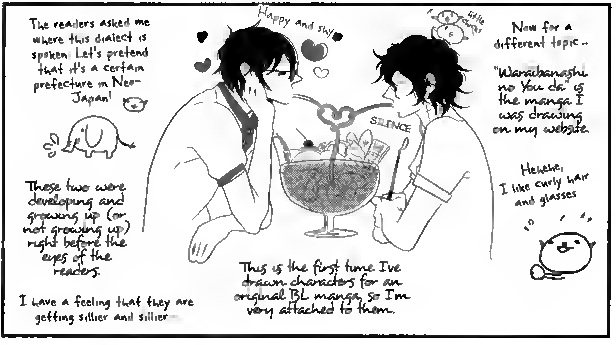
The birds are flying
It's so nice here.

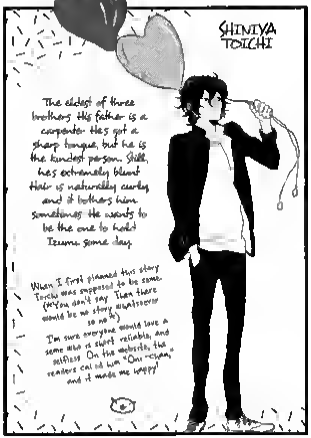


Actually, I haven't finished the manuscript yet
Haa...
I see

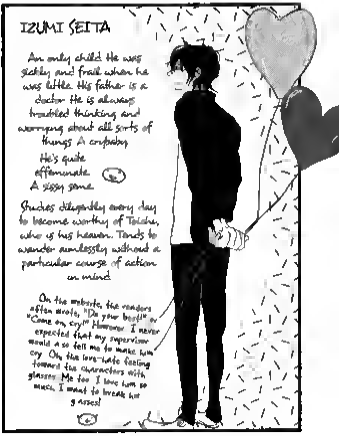


The readers asked me where this dialect is spoken. Let's pretend that it's a certain prefecture in Neo-Japan!
These two were developing and growing up (or not growing up) right before the eyes of the readers.
I have a feeling that they are getting sillier and sillier...
Happy and shy!
Silly
SILENCE
This is the first time I've drawn characters for an original BL manga, so I'm very attached to them.
Now for a different topic--
"Warukanagashi no You da" is the manga I was drawing on my website.
Hehehe. I like curly hair and glasses

A short character introduction from when I had writer's block



SHINIYA TOICHI
The eldest of three brothers. His father is a carpenter. He's got a sharp tongue, but he is the kindest person. Still, he's extremely blunt. Hair is naturally curly and it bothers him sometimes. He wants to be the one to build Izumi some day.
When I first planned this story Toichi was supposed to be some-(person don't say "I can there would be no story if someone is no ok")
I'm sure everyone would love a some who a short relatable and military. On the website, the readers called him "Oni-sama" and it made me happy!



IZUMI SEITA
An only child. He was sickly and frail when he was little. His father is a doctor. He is always troubled thinking and worrying about all sorts of things. A crybaby. He's quite effeminate. A sissy some.
Studies diligently every day to become worthy of Toichi, who is his heaven. Tends to wander aimlessly without a particular course of action in mind.
On the website, the readers often wrote, "Do your best!!" or "Come on, cry!!" However, I never expected that my supervisor would a so tell me to make him cry. On the love-hate feeling toward the characters with glasses: Me too. I love him so much, I want to break his glasses!

I'll be very happy if I get an opportunity to share their stories with everyone again!
Maybe next time, I'll be the main character! Oh, it makes me feel so shy
There are many more things that I would like to draw about Toichi and Izumi, as well as their friends
IDIOT
Hmm?
Cool
muscle, muscle

Special Thanks
Everyone who helped me. My friends who cheered for me during the hardest times. My family who supported me. The manager who kindly allowed me to use as the materials I needed. My supervisor V. and the designer and everyone in the editorial department. All the website visitors and fans who gave me their support! And all the readers! Thank you very much!
I love you
I hope we'll meet again!
Once again, I am very happy that you chose this book!
Thank you for reading until the very end!
